**7. Cabinet and Combined Waitlists.**

- a. Cabinet Waitlist. Unless a Combined Waitlist is in effect, the Exchange will create a cabinet waitlist (“Cabinet Waitlist”) if the available cabinet inventory is zero, or a User requests, in writing, a number of cabinets that, if provided, would cause the available inventory to be zero. The Exchange will place Users seeking cabinets on a Cabinet Waitlist, as follows:

\* \* \* \* \*

- A User will be placed on the Cabinet Waitlist based on the date its [signed]finalized order is received. A User’s order will be finalized when the Exchange receives (a) User’s signed order form and (b) a deposit equal to two months’ worth of the monthly recurring costs of the power requested for the cabinets ordered. A User may only have one order for new cabinets on the Cabinet Waitlist at a time, and the order is subject to the Cabinet Limits. If a User changes the size of its order while it is on the Cabinet Waitlist and any additional deposit is received by the Exchange, it will maintain its place on the Cabinet Waitlist, provided that the User may not increase the size of its order such that it would exceed the Cabinet Limits. If a User wishes to reduce the size of its order while it is on the Cabinet Waitlist, its deposit would not be reduced or returned, but would be applied against the User’s first and subsequent months’ invoices after cabinets are delivered until the deposit is depleted. While a User is on the Cabinet Waitlist, no Affiliate of such User may also be on the Cabinet Waitlist.

\* \* \* \* \*

- A User will be removed from the Cabinet Waitlist (a) at the User's request or (b) if the User turns down an offer of a cabinet of the same size it requested in its order. If the Exchange offers the User a cabinet of a different size than the User requested in its order, the User may turn down the offer and remain at the top of the Cabinet Waitlist until its order is completed. If the User removes its order from the Cabinet Waitlist, its deposit will be returned.
  - A User that is removed from the Cabinet Waitlist but subsequently submits a new [written]finalized order for cabinets will be added back to the bottom of the Cabinet Waitlist.
  - The deposit will be applied to the User's first and subsequent months' invoices after the cabinets are delivered until the deposit is completely depleted.
  - When unallocated cabinet inventory is more than 10 cabinets, the Exchange will cease use of the Cabinet Waitlist.
- b. Combined Waitlist. The Exchange would create a power and cabinet waitlist ("Combined Waitlist") if the unallocated power capacity is zero, or if a User requests, in writing, an amount of power (whether power allocated to a Standard Cabinet or additional power) that, if provided, would cause the unallocated power capacity to be below zero. The Exchange would place Users seeking cabinets or power on the Combined Waitlist, as follows:

\* \* \* \* \*

- A User will be placed on the Combined Waitlist based on the date its [signed]finalized order for cabinets and/or additional power is received. A User's order will be finalized when the Exchange receives (a) User's signed order form and (b) a deposit equal to two months' worth of the monthly recurring costs of (i) the power requested for the cabinets ordered and/or (ii) the additional power ordered. A User may only have one order for new cabinets and/or additional power on the Combined Waitlist at a time, and the order would be subject to the Combined Limits. If a User changes the size of its order while it is on the Combined Waitlist and any additional deposit is received by the Exchange, it will maintain its place on the Combined Waitlist, provided that the User may not increase the size of its order such that it would exceed the Combined Limits. If a User wishes to reduce the size of its order while it is on the Combined Waitlist, its deposit would not be reduced or returned, but rather would be applied against the User's first and subsequent months' invoices after cabinets are, and/or the power is, delivered until the deposit is depleted. While a User is on the Combined Waitlist, no Affiliate of such User may also be on the Combined Waitlist.

\* \* \* \* \*

- A User will be removed from the Combined Waitlist (a) at the User's request; or (b) if the User turns down an offer that is the same as its order (e.g. the offer includes cabinets of the same size and/or the amount of additional power that the User requested in its order). If the Exchange offers the User an offer that is different than its order, the User may turn down the offer and remain at the top of the Combined Waitlist until its order is completed. If the User removes its order from the Combined Waitlist, its deposit will be returned.
- A User that is removed from the Combined Waitlist but subsequently submits a new [written]finalized order for cabinets and/or additional power will be added back to the bottom of the waitlist.
- The deposit will be applied to the User's first and subsequent months' invoices after the cabinets are and/or additional power is delivered until the deposit is completely depleted.
