The Bank may vary the term deposit tenors from time to time. This will not affect the existing term deposit until maturity. Where there is a variation in tenor resulting in your term deposit tenure ceasing to exist, if the term deposit is set to automatically roll over upon maturity, it will be linked to the interest rate of the next highest tenor and you consent to the Bank aligning the tenor without further instruction from you. The Bank will however give you notice of its intention to vary the tenors of the fixed deposit offering.

- 5.6 You will need to hold a current or savings account with us to open a term deposit. We will only pay the principal and interest to your nominated current or savings account held with us (unless otherwise agreed).
- 5.7 You must instruct us in writing (or any other way we agree to accept) before the maturity date (and in the case of foreign currency deposits, at least two banking days before the maturity date) whether you want us:
